YOUTH DUCKBANDING PROJECT

On Saturday, July 26, 2014, there will be a youth Woodduck banding project held at LaSalle Fish & Game Area starting between 8:00 – 8:30 AM.

Working with LaSalle staff and adult volunteers you will band collected wild woodducks and release them back into their habitat. You will also learn about the life cycle of these beautiful ducks.

There will also be a retriever demonstration.

Also, you will break into teams and assemble Woodduck nesting boxes from pre-cut wood materials. The event will last until around noon with refreshments provided.

Please ask an adult who will accompany you permission to attend and have him or her contact Nancy 219-285-2704, to register you for this event free of charge.
